

Better Together for Talent Teams

Attract, engage and retain talent with one unified, end-to-end recruiter and candidate experience. The Workday Certified integration with Beamery enables the bi-directional sync of candidate and vacancy data, connecting Beamery's Talent CRM, Marketing and Compliance products with Workday Recruiting.

The End-to-End Workflow

The Ideal Talent Acquisition Tech Stack

“Two things really stood out to us when selecting Beamery - its expertise in targeting early-stage, passive candidates, and its technology, which complements and extends the industry-leading capabilities of Workday HCM.”

- Charles Mah, VP of Global Talent Acquisition at Workday
